

Built for every size and shape of the health and beauty industry.

One Inclusive Solution to Manage Your Business

Whether you run a salon, spa or fitness center, managing a busy schedule while increasing clientele and revenue is at the core of what you do – and Bloom POS is built to empower your business with the right tools to manage and grow.

- Point-of-sale
- Appointment scheduling
 - In-Store, online, over the phone
- Product inventory and sales
- Reporting and analytics
- Reward your customers that pay with cash by offering a discount through CashRewards

Unify Your Business

Fulfill all orders, including online and in-store and manage appointments and reporting within the same platform.

Combine online appointment balances with in-store purchases for one clean payment. Save time at checkout and make each customer experience seamless!

Discover Your Growth
